## Action Taken Report (2022-2023) Feedback from Students:

Stakeholder	Students
No. of Response	496
Suggestions	Action Taken
Students are interested in industrial visits and workshops.	Arranged visits to several technical companies and conducted many seminars and workshops at college.
Additional and advanced extra and self-learning.	Covered through gaps and content beyond syllabus.
Students suggested extra and self-learning	Students are encouraged to do Swayam, NPTEL and MOOC courses
More availability of learning resources	e-books and other reading material provided to students in the Google classroom and official whatsapp class group
More focus on advanced topics for employability	Value added courses are introduced every academic year.
Labs need to be upgraded according to the latest requirements.	Computer labs have been upgraded.
Opportunities to explore more career alternatives before graduation for assessing interests and competencies in their area or study.	Students are provided with career counseling programs and are encouraged to take up internships for more practical exposure.
Additional activities aimed at skill development.	Planning and organizing skills refined through the conduct of workshops, competitions, seminars and co-curricular and extracurricular activities.
