Sir,

Subject: **Suggestion regarding the updation in syllabus.**

Below mention are the suggestion regarding the updation in syllabus of different programs.

B.Sc Multimedia

1. Recommendation to introduce departmental open elective in B.Sc Multimedia.

Computer Application

1. The BCA syllabus should include subjects focusing on MERN (MongoDB, Express.js, React.js, Node.js) stack to equip students with modern web development skills using JavaScript-based technologies.
2. Research methodology related subject need to include in the BCA stream to encourage research.

Hotel Management

1. Revising the syllabus of Hotel Management BHM(AICTE) and BHM (UGC) include Artificial Intelligence subject as demand on hotel industry.
2. Regarding AICTE approved BHM course training, It should be in 8th sem instead of 5th Sem , so that students will get better opportunity.

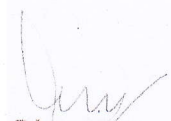

Travel and Tourism

1. Suggested minor revision of theory subjects, by adding a few advanced topics and adding practical subjects in BTM.

Management Department

1. Incorporate training and projects into the BBA and B.Com (Hons) curricula.

Thanks with Regards,
